"Diners, Drive-Ins & Dives"

Our number one priority is you -- our guest. Bring your family and friends, and prepare to be pampered by our friendly wait staff. Relax in our warm and welcoming atmosphere, and enjoy our wonderfully delicious, absolutely fresh seafood. Our mission at the Marietta Fish Market is to always exceed your expectations. We guarantee you a memorable dining experience each and every time.

Welcome to the Marietta Fish Market ... where we offer the absolute best quality seafood in huge portions at reasonable prices. Here, you'll always experience something far more than your average seafood dinner.

We have been serving high-quality food at affordable prices for more than 25 years, with recipes for delicious grilled fish, special sauces, and Southern-Style home-cooked vegetables. Gus Tselios and his team have spent years developing relationships with the best seafood suppliers from around the world, and we have kindly made available the same fresh products we serve at our restaurants. This enables our kitchen to utilize Day-Boat catches, and fly whole seafood selections in daily. We obtain our Shrimp and Oysters fresh from the Gulf, our Lobster directly from Maine from our fellow partners, fresh Trout locally from the North Georgia Mountains, and fresh Branzini from the Mediterranean. These are just examples of our dedication to bringing you the freshest seafood daily.

MFM also specializes in big platters of fried seafood and we have a unique recipe for tasty MFM Hushpuppies. Over the years, our family learned the secret of great fried fish, and that is by starting each and every day with fresh, high-quality oil with zero trans fats. Our daily features often include incredible seafood sautés, grilled and fried fresh fish, scrumptious seafood and many more tempting dishes. It has made us the number one seafood restaurant in Cobb county.

Thank you for dining with us,
Gus Tselios
